FirstEnergy’s Ohio Utilities Rebate Requirements

- Applicant must be an Ohio residential customer of Ohio Edison, The Illuminating Company, or Toledo Edison, FirstEnergy’s Ohio utilities.

- Rebate applications are valid for qualified appliances purchased between January 1, 2017, and December 31, 2019.

- Rebate application must be submitted within **90 days** of purchase and be postmarked by January 7, 2020.

- Rebate application with valid customer account number must be accompanied by a legible copy of the paid itemized sales receipt showing proof of purchase that includes manufacturer, model number, store/contractor name, purchase price, and date of purchase.

- Payment will be issued to the account holder and mailing address on record with the utility.

- Please allow up to 90 days from the date all required information is received to process your rebate. **For the fastest rebate possible, submit your rebate application online at energysaveOhio-home.com/Rebate.**

- All rebated products must be used at the service (install) address specified on the rebate application.

- Program procedures, requirements and rebate levels are subject to change or cancellation without notice and are subject to available program funds.

- FirstEnergy’s Ohio utilities and/or their designees including program administrators do not endorse any manufacturer or product as part of this program.

- For refrigerators, models that qualify for the $50 rebate must be listed as Tier 2 on the CEE website, models that qualify for the $75 rebate must be listed as Tier 3 on the CEE website. Find CEE ratings at cee1.org.

- The costs of this program may be recovered through customer rates in accordance with Ohio law. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysaveOhio.com.

- By submitting this FirstEnergy’s Ohio utilities rebate application, you acknowledge and agree to the rebate requirements found on this rebate form.

- By participating in FirstEnergy’s Ohio utilities’ Energy Efficiency and Conservation (EE&C) programs, participants hereby assign and transfer ownership of any Energy Efficiency resource credits and capacity resulting from their project(s) to their local utility (Ohio Edison, The Illuminating Company or Toledo Edison) for the purpose of offering these resources into the markets operated by PJM Interconnection, Inc. (PJM).
